Students who are enrolled in Lakeland Elementary School as of February 15, 2014, but who do not live within the city limits of the City of Lakeland are eligible for an annual transfer each year through their exit grade. Parents must reapply for the transfer annually, and the granting of the transfer will be based on available space.

Students in the following categories are not eligible for renewal of a transfer:

1. Students with more than 5 unexcused absences
2. Students that do not meet the academic requirements to advance to the next grade level

Parents of students meeting the above criteria must provide their own transportation to Lakeland Elementary School.
