## MIDDLE PREPARATORY

March 7, 2017

Dear Lakeland Middle Preparatory School families,

We hope you are having a great school year! If you are receiving this letter, our records indicate that your child is scheduled to attend Lakeland Middle Preparatory School beginning in August, 2017 and is currently enrolled in Arlington Community Schools. It is an exciting time to be a member of the Lakeland community, and we look forward to helping your child strive for excellence as we open Lakeland Middle Preparatory School later this year.

To make the registration process as convenient as possible, we will provide you with login credentials for our online registration portal on **March 21, 2017** at **Lakeland Elementary School** from **4:30 - 7:00 PM**. We have chosen not to mail these credentials in the interest of protecting sensitive information. Parents/guardians should bring a valid photo ID to Lakeland Elementary School to receive their student's username and password which will be used to complete the online pre-registration process.

Please complete all online registration documentation during the week of March 21, 2017. You will be able to verify or update student demographic information, make course selections, and indicate athletic interest(s) via this portal. Proofs of residence will be verified during our final registration on August 1, 2017.

We look forward to working with you during this process and in years to come.

Sincerely,
