

# Lakeland Elementary School

## Arrival/Dismissal Traffic Patterns

For student safety, please adhere to the following procedures below:

**BUS RIDERS:** Buses will enter the back entrance of the campus. Students will load and unload in the area behind the cafeteria. This separates the buses from the remaining traffic on campus.

**CAR RIDERS:** All cars (except Department Exceptional Children students) will enter the second entrance by the teachers' parking lot. DEC students' parents will enter the front entrance of the school.

**Morning:** Parents should pull all the way to the end of the sidewalk. Students should exit the passenger side of the car. This is for your child's safety, as we do not want students walking around any cars. Please do not move out of line and wait until all cars are directed to move forward.

**Afternoon:** Dismissal will begin at 4:00 p.m. Students are assigned car numbers and will be lined up according to this number. Students will enter the car on the passenger side ONLY. This will help ensure safety when entering the car directly from the sidewalk. Please do not move your car until directed to by a faculty member.

**Day Care Riders:** Day care riders will be dismissed through the front doors. Faculty members will walk the students to their vans. Once the students load the vans/buses, the day care drivers will take roll and exit the campus.

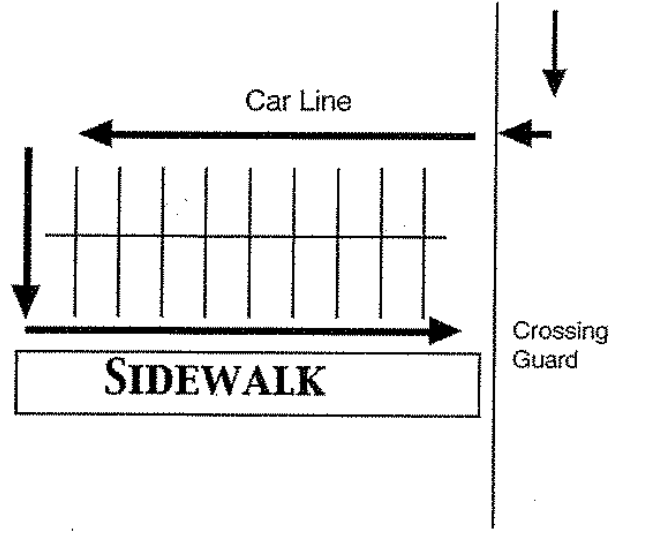

If a parent must come into the school for a meeting, to volunteer, or to drop off something, etc., please park in the faculty parking lot in the back of the school during arrival (8:45-9:00).

LES will have faculty/staff members available to assist with the flow of traffic in all areas.

**Bike Riders/Walkers:** Students should cross with the crossing guards and remain on the sidewalk at all times. Bike riders should walk their bikes down the sidewalk leading to the school. To ensure safety, students should not run or play while walking to and from school.

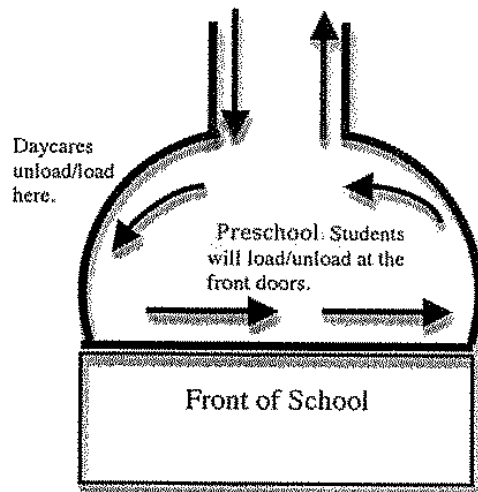

### Car Rider Arrival and Dismissal

All cars enter from Oak Seed to the teacher parking lot (2<sup>nd</sup> entrance) and follow the diagram. Please adhere to the crossing guards directions at all times. **NOTE: Parents must remain in your cars during arrival and dismissal.**

### Preschool parents, DEC buses, Daycare Arrival and Dismissal

All cars, vans, and buses enter from Oak Seed to the front school entrance and follow the diagram.

### School Buses Arrival and Dismissal

All buses enter from Seed Tick to the bus lane and follow the diagram.
