Nashville, TN 37228

Dear Dr. Elgart,

This letter is to inform you that Lakeland School System intends to pursue district accreditation rather than individual school accreditation. This course of action has my support and the full support of the LSS Board of Education. We look forward to working with AdvanceEd on the district accreditation process.

Please let me know if you require any additional information or assurances.

Respectfully,

Kevin Floyd, Chairman

Dr. W. Edward Horrell, III, Superintendent
