**A RESOLUTION CONCERNING AUTHORIZATION FOR LSS TO PROVIDE BEFORE AND AFTER CARE TO PARENTS OF LAKELAND ELEMENTARY SCHOOL**

---

- WHEREAS,** Lakeland School System currently contracts with Millington Family YMCA to provide before and after care for parents of Lakeland Elementary School (LES) students; and
- WHEREAS,** LES parents currently pay fees directly to Millington Family YMCA which provides the supervision, labor and supplies for the before and after care program; and
- WHEREAS,** Millington Family YMCA pays Lakeland School System a daily rental fee for use of the LES facilities; and
- WHEREAS,** Financial analysis suggests that Lakeland School System could provide a comparable or better program for parents within the same fee schedule that parents currently pay and that the program would not require subsidizing from the LSS general fund budget; and
- WHEREAS,** Money generated in excess of the supervision, labor, and supplies costs would more than cover the rental fees paid by the YMCA and could be applied to program enhancements; and
- WHEREAS,** The Tennessee Department of Human Services provides for licensing of school systems to operate before and after care programs; and
- WHEREAS,** LSS staff have studied model programs in Williamson County Schools and Franklin Special School District and determined the feasibility of a similar program for LSS; and
- WHEREAS,** LSS supervision of the before and after school care program could provide additional opportunities to customize the program to parent/student needs; align offerings to academic programs; and offer opportunities for extension of student interests;

**NOW THEREFORE, BE IT RESOLVED** by the Board of Education of the Lakeland School System, Lakeland, Tennessee that the Superintendent be authorized to pursue the creation of a before and after care program for students of Lakeland Elementary School provided that the creation and implementation of the program does not require additional funding from the LSS general fund.
