3 "highly qualified" teacher or those making appropriate progress toward achieving that status. The
4 superintendent is responsible for documenting and presenting the recommendation for tenure to the
5 Board of Education.¹

10 the subjects or grades taught;

12 months within the last seven-year period, the last two (2) years being employed in a regular
13 teaching position rather than an interim teaching position;
- 14 4. Has received evaluations demonstrating an overall performance effectiveness level of "above
15 expectations" or "significantly above expectations" as provided in the evaluation guidelines
16 adopted by the state board of education pursuant to §49-1-302, during the last two (2) years of
17 the probationary period; and
- 18 5. Is reemployed by the superintendent for service after the probationary period.

19 The following additional guidelines will apply:

- 20 1. The decision to grant tenure is solely within the discretion of the Board of Education.
- 21 2. The superintendent will recommend persons eligible for tenure at the board meeting in ample
22 time for the superintendent to provide notice of non-renewal to each teacher not granted tenure
23 within five (5) business days following the last instructional day for the school year.
- 24 3. Only those teachers who receive a majority vote of the membership of the Board will be
25 granted tenure.
- 26 4. Teachers who earn tenure will be honored by the Board in a special ceremony, either at a board
27 meeting or in some other special public event.
- 28 5. A teacher who is eligible for tenure, but tenure is denied, shall not be rehired beyond the
29 contract year.
- 30 6. No person who has been denied tenure by the Board of Education shall be employed in the
31 school system in any position which requires a license.

34 **Teacher Returning to Employment**

35 A teacher who has attained tenure status in the school system and later resigns shall serve a two-year
36 probationary period upon reemployment, unless the probationary period is waived by the Board upon
37 request of the superintendent. Upon completion of the two-year period, the teacher shall either be
38 recommended by the superintendent for tenure or non-renewed. If tenure is not granted, the teacher
39 cannot continue in employment.⁴
