Lakeland Board of Education

Sudden cardiac arrest (SCA) is a condition in which the heartbeat stops abruptly and unexpectedly, preventing blood flow to the brain, the heart, and the rest of the body. In order to ensure the safety of students that participate in interscholastic athletics, it is imperative that student athletes, coaches, and parents are educated about the nature and treatment of sudden cardiac arrest. The Board recognizes that sudden cardiac arrest is a serious health issue and should be treated as such.

The Board adopts the guidelines and other pertinent information and forms developed by the Tennessee Department of Health to inform and educate coaches, school administrators, student athletes, and parent(s) / guardian(s) of the nature, risk and symptoms of sudden cardiac arrest. These guidelines and materials may be viewed on the Department of Health's website and shall be made available to interested parties through the Central Office.

This policy shall govern all activities and those individuals involved in those activities which constitute an organized athletic game or competition against another team or in practice or preparation for an organized game or competition. It does not govern those activities or individuals involved in those activities which are entered into for instructional purposes only or those that are incidental to a nonathletic program or lesson.

REQUIRED TRAINING

The superintendent shall ensure that each school’s athletic director and coaches, employed or volunteer, annually complete the National Federation of State High School Associations Elective Course – Sudden Cardiac Arrest online course. This course may be accessed online at www.nfhslearn.com.

Prior to the annual initiation of practice or competition, the following persons must review and sign a sudden cardiac arrest information sheet approved by the Tennessee Department of Health: each school athletic director, licensed healthcare professionals (if appointed), and each coach, employed or volunteer.

In addition, prior to the annual initiation of practice or competition, all student athletes and their parent(s) / guardian(s) shall review the sudden cardiac arrest information sheet approved by the Tennessee Department of Health. A form confirming this review shall be signed and returned by the student athlete, if the athlete is eighteen (18) years of age or older; or by the student athlete's parent(s) / guardian(s), for athletes younger than eighteen (18) years of age.

All documentation of the completion of a sudden cardiac arrest education course program and signed sudden cardiac arrest information sheets shall be maintained by the superintendent or his/her designee for a period of three (3) years.

Removal from Athletics

Version Date: December 14, 2015
Any student athlete who shows signs, symptoms and/or behaviors consistent with sudden cardiac arrest during or after an athletic activity or competition shall be immediately removed for evaluation by a licensed healthcare professional, if available, and if not, by a coach or other designated individuals. Signs, symptoms and/or behaviors include, but are not limited to: passing out; fainting; unexplained shortness of breath; chest pains; dizziness; racing heart rate; and extreme fatigue.

Student athletes who have been removed from an athletic activity or competition shall not return to any supervised team activities involving physical exertion, including games, competitions, or practices, until the student athlete has been evaluated by and received written clearance on forms approved by the Department of Health from a licensed health care provider for a full or graduated return.

**Penalties** *(OPTIONAL)*

A coach found in violation of the provisions of this policy related to removal from play and return to play shall be subject to the following penalties:

1. For a first violation, suspension from coaching any athletic activity for the remainder of the season;
2. For a second violation, suspension from coaching any athletic activity for the remainder of the season and the next season; and
3. For a third violation, permanent suspension from coaching any athletic activity.
