- D. **Release of Liability:** The designated responsible individual shall agree to examine the School Facilities and accept same in the condition they then exist and on behalf of himself or herself and the using group or organization to release the Board, its members and employees from any damage, loss, or injury arising as a result of the use of the facilities.

- I. **Specification of Hours for Facility Use:** The specific hours and dates for the use of School Facilities must be set forth in the written application and agreement. This requirement includes the time(s) necessary for the preparation of the Facilities, the receipt of any deliveries of equipment and supplies, the actual opening and closing of the Facilities for the event, and the required time for cleanup and departure of people. Such hours and dates shall be subject to the approval of the Superintendent or his/her designee. In making these decisions, the Superintendent or his/her designee will take into account the needs of the entire community. The School Facilities shall generally be available for use by the public daily, 6:30 a.m. to 11:00 p.m., providing the Superintendent or his/her designee determines that there is no conflict with school activities and that it is not necessary to incur special costs to make the School Facilities available. The sponsoring group or organization and the Designated Responsible Individual shall be jointly and severally responsible for and shall pay for any damage to any School Facilities or other property. The presence of school employees on duty does not relieve such responsibility. Fees may also be charged to the group or organization if LSS must pay a security officer, supervisor, or any other employee to be in attendance at the School Facilities. The Superintendent or his/her designee may also require police for control of crowds and traffic and charge the cost to the sponsoring group or organization

Facilities under Rental and Lease Agreements shall be in accordance with the fee schedule or as determined by the Superintendent or his/her designee. The rental payment for the lease of School Facilities under a Lease Agreement will be subject to the approval of the Board. Unless otherwise provided in the Rental Agreement or the Lease Agreement, all fees and payments will be due and payable prior to the use of the Facilities. Upon approval of the Agreement, any excess payment will be refunded, while any shortage will be payable after the event and will be the responsibility of the renter. Notice of cancellation must be received at least three (3) calendar days prior to the use of the facility. The Superintendent or his/her designee shall evaluate fees for the use of the School Facilities periodically. Normally, fees will be higher for outside groups or organizations (as defined in the "Priorities for Use of Facilities" listed below). The rental fee can include custodial services, security services, supervision or police, as needed. Charges will be according to the rates established in the fee schedule for school personnel and according to actual costs for non-school personnel. The fee schedule will be made available as a part of the rental application, which can be found online. The Superintendent or his/her designee shall have the authority to waive or reduce any fee for any community, city, or school-sponsored group or organization if there are appropriate circumstances that warrant such consideration.

- M. **Revocation of Right to Use:** Except as may be provided in the Rental Agreement, LSS may revoke the right to use School Facilities at any time with or without notice.
- N. **Other Requirements, Rules, and Regulations:** The Superintendent or his/her designee require special terms, conditions, and rules in any Rental Agreement or Lease Agreement if in his/her opinion such terms and conditions are necessary to protect School Facilities and/or the LSS's relationship with the community. Situations that are substantially outside the scope and intent of this rule shall be submitted to LSS for its consideration.
- O. **Consequences for Noncompliance:** Any unsatisfactory experience with a particular sponsoring individual, group, or organization shall be adequate reason for refusing future application for use of School Facilities. This shall include, but not be limited to, poor care of a Facility, unpaid fees, and/or unpaid damages. Furthermore, any person who enters any of the School Facilities at any time when they are not open for use under the rules or regulations of LSS may thereafter be denied the privileges of using all School Facilities.
