A proposed policy or policy change shall be submitted to the Board as part of the agenda. Amendments or revisions to previously approved policies, including the rescinding of policies, may be approved following the first reading if considered during a regular business meeting. New policies require two readings, and the Board’s review of the proposal or return for study and/or further revision at any meeting or work session may constitute the first reading for new policies.

Adoption of a proposed new policy shall require an affirmative vote by a majority of the members of the Board following the second reading. Adoption of a proposed amendment or revision to an existing policy shall require an affirmative vote by a majority of the members of the Board following the first reading.

The proposed policy or policy amendment shall be considered at the next board meeting with the final vote following the second reading. Adoption shall require an affirmative vote by a majority of the members of the Board.

Policies and amendments adopted by the Board shall be made a part of the minutes and shall be placed in the policy manual. Policies and amendments shall be effective immediately upon adoption unless a specific effective date is provided, and shall supersede any previous Board action on the subject.

**POLICY MAINTENANCE**

The superintendent shall be responsible for drafting policy proposals and maintaining the Board Policy Manual. At least biennially, the Board shall review its policy manual for the purpose of passing, revising or deleting policies mandated by changing conditions. In order that the policy manual remain current, the Board may contract annually for TSBA’s policy maintenance service.

Policies shall be accessible to all employees of the school system, members of the Board, and citizens of the community. All policy manuals shall remain the property of the Board and are subject to recall any time deemed necessary by the superintendent.

**PROCEDURE FOR EXPEDITED ACTION**

By an affirmative vote by a majority of the members of the Board, the Board may waive the second reading limitation and take immediate action to adopt new or revised policies.

**SUSPENSION OF POLICIES**

Any board policy or part thereof may be suspended by an affirmative vote by a majority of the members of the Board.
ADMINISTRATION IN POLICY ABSENCE

In cases where the Board has provided no guidelines for administrative action, the superintendent shall have the power to act, but report to the Board at its next meeting.
